

LEANNE TRUONG

Profile:

I am an graphic designer student in South Brisbane. My goal is to work as freelancer based in graphic design. I am passionate about working in a graphic design industry and to create amazing designs. I enjoy working in a graphic design modern studio in Australia with other team members in a huge company that collaborate with international graphic designers.

I like to learn new skills when working with colleagues and professionals in a company that is an friendly environment. I am friendly and creative graphic design student. I like to be creative in my designs and successful in my work.
