

Granite Bay Brewing Company is tucked away in the Sunshine Coast hinterland, not too far from the ocean. We brew a variety of beers that reflect our easy going relaxed way of life. We want you to feel this when you visit our brewery and take in the surrounds while enjoying healthy meals and quality brews with friends.

The company's values are to search for the perfect wave and the perfect beer with life balance. Enjoy surfing, working, brewing and relaxing environment. Providing natural brewing and sustainable production. Supporting the local community and events. Granite Bay focused on targeting to surfers, local community and tourists.
